## How to Block a YouTube Channel

- You can block YouTube channels to prevent users from commenting on your videos or channel.
- Blocked YouTube channels can still watch your videos, but all their previous comments will be hidden.
- YouTube channels you block won't be told that they've been blocked.

You can block YouTube channels from the YouTube desktop and mobile apps.

## How to block YouTube channels on a computer:

- 1. Go to youtube.com and log into your account, and then open the channel you want to block. The easiest way to do this is by clicking on their username on a comment or video.
- 2. Click **About** in the list of options at the top of their page, below their username and banner.
- 3. Click the **flag** icon on the right side of the page and select **Block user**.
